Multi-Meeting Program Series

Our Chapter President, with help from other volunteers, is busy putting together a program course that will span several meetings. The idea is to give us a view into the various steps that may be involved in the health care of a heart event patient. Meeting topics from the potential starting point of the 911 personnel and paramedics' role and activities, to the emergency room, surgery, and ICU, all the way through rehab are underway. The entire series is yet to be confirmed and scheduled; however, the continuing plan is outlined in the Upcoming Meetings section.

Upcoming Meetings

Mended Hearts Chapter 369 meets on the second Tuesday of the month at 6:30pm alternating between BJC St Peters and SSM St Josephs in St Charles. Join us for a light meal before the meeting.

Tips for Caregivers

When you are caring for a loved one, whether in the hospital or at home, caring for yourself is often your last priority. However, it is important to create a balance between caring for others and yourself. You may not feel that caring for yourself is a priority, but it is imperative that you try. The best gift you can give your loved one is to also care for yourself.

Heart Healthy Cooking

¼ cup parmesan cheese
2-3 chicken breasts sprinkled with garlic pepper to taste, baked, cooled, and diced

Step 1: bring water to boil in pan according to package directions but omit salt, add Wacky Mac. Boil pasta for 8 minutes until al dente. Rinse under cold water and drain. Put back in pan and toss in 1 tbsp. olive oil.

Step 2: drain, rinse, squeeze and chop artichokes, then set aside.

Step 3: in a separate bowl, mix dried parsley, black pepper, remaining 5 tbsp. olive oil, and red wine vinegar. Set aside.

Step 4: into the pan with the pasta, toss in the following: chopped artichokes from step 2, bowl of parsley mix from step 3, chopped green onions, diced chicken breasts, and parmesan cheese.
